Electrical Engineer

Member since

1974

Type of Certificate

ASEL, Rotorcraft

What ratings to you hold?

Instrument ASEL, Commercial Rotorcraft

Flight Hours

2250

Do you own an airplane?

Mooney 231

Why did you start flying?

Boyfriend took me flying in a Stinson and I fell in love with flying!!!!

Tell us about your favorite flying adventure

Flew my own plane to Alaska three separate times. Alaska is the most spectacular place to fly your own plane on earth! Flying up and down the glaciers is breath taking!!!!

Why did you join the 99s?

Friendship of women pilots. Only 6% of all pilots are women. We have a special bond.

What is your favorite 99s event or activity?

Air racing
